

Water and Ice

FIELD RECORDING SLACK
CROWDSOURCE SOUND LIBRARY

A team of 179 sound designers and recordists from around the world teamed up to make a giant library of "Water and Ice" SFX.

We've created a giant library with over 100gb and over 1900 sounds!

HOW DOES IT WORK?

In the spirit of support for those affected by Ukraine we're asking for your support donating to one of these humanitarian causes

we're doing a unique system where 100% of donations go straight to charity

In order to receive the library donate **\$89** or more to one of the following organizations

[Doctors Without Borders](#)
[International Committee of the Red Cross](#)
[Unicef](#)

In return, you'll be sent a receipt to your email
You can either:

- Forward that email with the name of the library you'd like to frscharity@gmail.com
- Or
- Take a screenshot showing the organization, email and donation amount to frscharity@gmail.com
